November 20, 2019
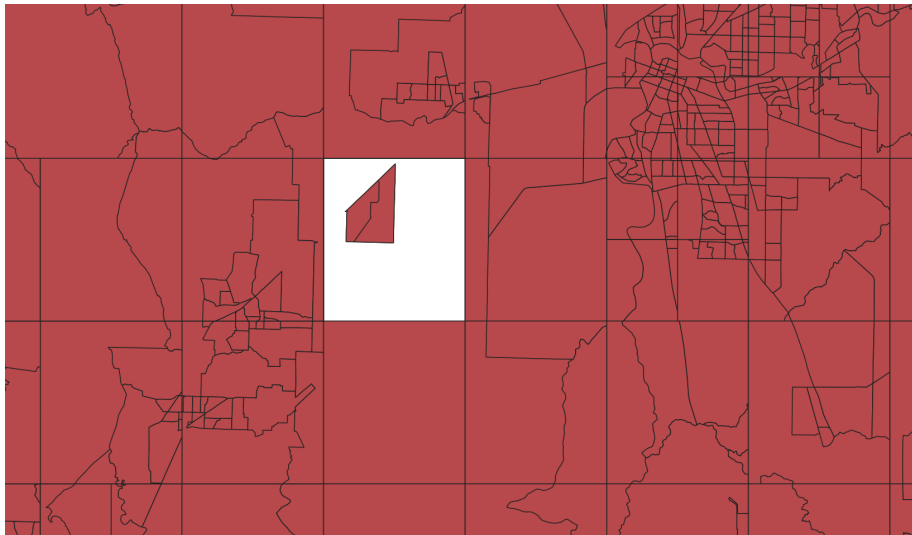

Working on Edge Partitioner

▶ I have finished with the implementationn to solve empty cells but I was dealing with two particular issues:

1. Empty cells with 'islands'
2. Empty cells in the in the exterior of the input
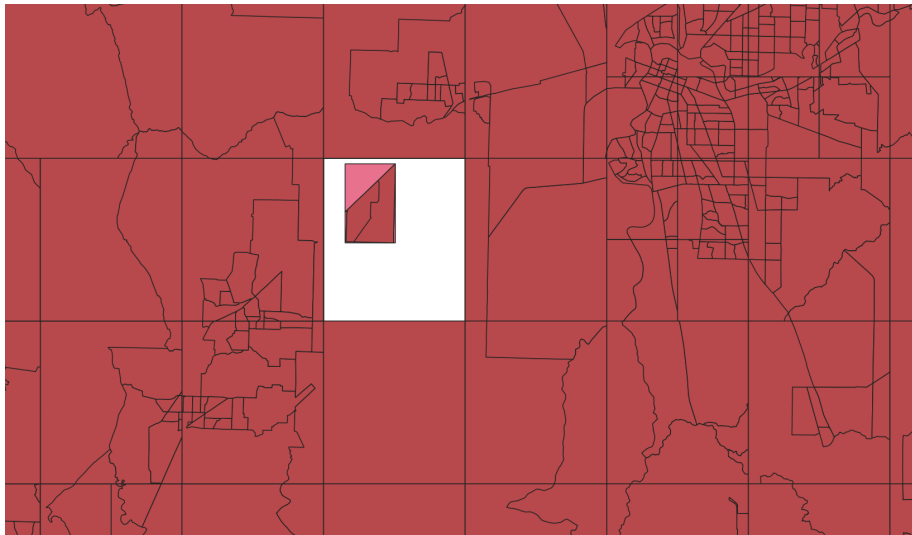

Empty cells with 'islands'
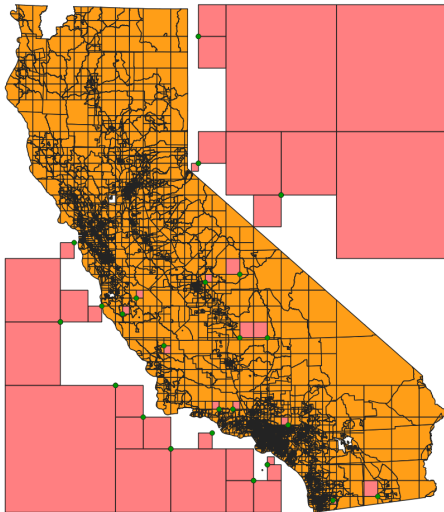

Empty cells with 'islands'

Empty cells with 'islands'

Empty cells with 'islands'

Empty cells in the in the exterior

Empty cells in the in the exterior
